Objectives

To obtain successful employment and sharpen my skills. My ultimate goal is to work in the game industry designing games and simulations.

Job History

Hummingbird Henna Design _____ 303 · 761 · 9742

P.O. Box 203, Englewood, Co. 80151

I have performed customer service and have designed promotional items for this business.

Erickson Monument Company _____ 303 · 571 · 5151

1245 Quivas Street, Denver, CO 80204

I was the production designer at the Erickson Monument company. I managed the computer artwork, quality control and the plotting of stencil to be sandblasted. I converted punch press type to digital fonts. I held this position for two years before leaving to pursue further education.

Education

Colorado's Finest Alternative High School _____ 303 · 934 · 9183

2323 West Baker Avenue, Englewood Co. 80110

Graduated June 7, 2008. Received the Peace Jam Science Award and United States Achievement Academy National Mathematics Award.

Arapahoe Community College _____ 303 · 797 · 4222

5900 S. Santa Fe Drive, Littleton Co. 80120

I graduated from Arapahoe Community college in May 2011 with an Associates Applied Science degree in Multimedia Graphic Design.

University Colorado Denver _____ 303 · 556 · 2400

1250 14th Street, Denver, Co. 80204

Graduated from the University Colorado Denver in May 2018 with a Bachelors Science in Computer Science.

Volunteer Work

Volunteered for several years for the Council of Englewood Library Teens. My duties included the set up and management of teen events for the Englewood Public Libraries.

Skills
